Third Party Financing for clients with good credit and good credit history (or apply with a co-singer) We recommend financing through a third party lender. Third party classic car lenders can provide clients with loans up to 60 months in some cases at different APR's depending on credit. Here we have provided a few links to J.J. Best Banc & Co., LightStream, and USAA. If you are interested in financing with these lenders please contact us first about the vehicle you are applying for.
